

Where golf and nature play

Phillip Island Golf Club – R.L.Smith Memorial Trophy – 4BBB Match Play Event.

Qualifying Round is a 4BBB Stableford event generally in mid April. Play is from the blue markers of the day. On the day, in an event of a threesome in the field, mi-club will automatically pair the lowest handicapper with each of the other two for the daily event, however a player can only qualify to continue with one partner.

The best 16 Pairs qualify and enter into a seeded draw. Qualifying positions will be determined by the standard countback precedures. All matches are now 4BBB match play from the blue tombstones.

Matches to be played by the dates set, however the Men's match committee may grant a short extension if there are special circumstances and mutual agreement between the opponents.
